Dear Galileo Families,

Happy Spring! Indeed, spring break is in sight...just ask the kids! As a reminder, there is no school on Friday, April 7<sup>th</sup> and the week following (April 10<sup>th</sup> – 14<sup>th</sup>) is off for break. This week is Galileo Spring Safety Week! Teachers will be reviewing all drill procedures (including fire, lockdown, and tornado among others), so please talk with your child about what they are supposed to do in the event of an emergency while at school. If your child is particularly concerned by any review of drills, please reach out so we can follow-up.

Thank you all the 4-8<sup>th</sup> grade families who participated in our first Math and Science Night last week! It was great to have you in the building engaging with fun science and math concepts! We have plenty of other events coming up for *ALL* families to get involved. One of the activities will be our Spring Clean and Green on Saturday, April 22<sup>nd</sup> – please see the back of this letter for a donation request if you are able to help out.

Chicago Public Schools continues to work to increase revenue through pressuring the state of Illinois for equitable funding. The 20% for 20% Campaign continues and your voice and participation is needed. There are multiple ways you can take action – please go to [www.cps.edu/equality](http://www.cps.edu/equality) to find out how you can get involved.

Looking Ahead:

- April 18<sup>th</sup> – Fine Arts Raffle begins...get ready!
- April 19<sup>th</sup> – Report Card Pick Up! (No school for students)
- April 21<sup>st</sup> – Galileo Movie Night – *Sing!* \$3 suggested donation at the door
- April 22<sup>nd</sup> – Clean and Green! Join us on a Saturday morning to clean up outside of Galileo and our surrounding neighborhood...and we will have a BBQ after!
- April 28<sup>th</sup> – Day of the Child celebration for students! Please reach out to the BAC if you would like to get involved in the planning!

Have a great week!
