Friday, May 12 <sup>th</sup>	- Happy Mother’s Day to all Galileo moms – have a wonderful weekend!

Hello Galileo families,

We are so **thankful** for all of the contributions that so many wonderful parents have made this year and in the past couple of weeks, specifically. We have such a wonderful BAC (Bilingual Advisory Council), PAC (Parent Advisory Council), LSC (Local School Council), and FoG (Friends of Galileo) and we encourage you to join these committee meetings when you are available. All upcoming meeting dates are posted on the Galileo website so please remember to check the calendar online for upcoming meetings!

A special thanks to the BAC for the coordination of the wonderful Teacher Appreciation Week last week! All staff members felt valued and we very much appreciated your efforts. Thank you to all families who contributed in any way...the Galileo staff appreciates you right back!

This year’s Fine Arts Raffle was a success! Thank you for selling tickets that resulted in \$10,445 in sales – WOW! These funds go directly toward our building-wide arts initiatives such as music programming (i.e. Old Town School of Folk Music), school wide culture events (i.e. Kite Day...coming up on June 9<sup>th</sup>), as well as Art supplies for our Fine Arts curriculum and infusion of arts in the general education curriculum. As a Math and Science Academy, we work to ensure we provide well-rounded opportunities for students to engage in the Arts and your efforts with this fundraiser help ensure we are able to do that – thank you!

The end of the year is now in sight, and the NWEA assessment is right around the corner. Students will take the assessment during two different weeks according to grade band:

- Week of May 22<sup>nd</sup> - Grades 6<sup>th</sup>, 8<sup>th</sup>, 3<sup>rd</sup>, and 1<sup>st</sup>
- Week of June 5<sup>th</sup> - Grades 4<sup>th</sup>, 5<sup>th</sup>, 7<sup>th</sup>, 2<sup>nd</sup>, and Kindergarten

Please remember to have your child here every day so we are able to reach our 96% attendance goal! We are currently at 95.79%....we can do it!!!

Have a great week!
